

## 39TH ANNUAL NIGHT OF WINE AND ROSES GALA

# *There's No Place Like Hope*

Dear Friends,

On behalf of the American Cancer Society, we are pleased to present the 39<sup>th</sup> Annual Night of Wine and Roses, **"There's No Place Like Hope."** We are thrilled to **follow the Yellow Brick Road** to the Palace at Somerset Park on Friday, May 9, 2025. The Night of Wine and Roses is a powerful and inspiring movement which unites New Jersey in our fight to end cancer as we know it, for everyone. Last year, we raised an astounding \$527,000 for the Society's programs and services! With a 38-year history, this event has a tradition of honoring those who have gone above and beyond to help cancer patients and their families. We are proud to honor **Drs. Louis and Judith Amorosa** as the 2024 Medical Honorees and the **Cheng Family** as the Eighth Annual Judith A. Hoffman Humanitarian awardee.

Today, we ask you to spend **One Short Day in the Emerald City** and join us in celebrating the spirit of **Courage, Heart, and Innovation** in the field of cancer care, research, and patient services. The American Cancer Society is improving the lives of people with cancer and their families as the only organization combating cancer through advocacy, research, and patient support, to ensure that everyone has an opportunity to prevent, detect, treat, and survive cancer. Thanks to the progress we're making together, mortality rates from the disease have fallen 33% since 1991. That's more than 3.9 million lives saved. While we're making great progress, it's going to take all of us, working together, to continue making an impact.

The Night of Wine and Roses Gala provides the opportunity to stand with the American Cancer Society in support of our local patients, caregivers and researchers. Within the last seven years alone, this event has raised over \$3 million to end cancer as we know it, for everyone. **As we work towards our next million, we hope that you will join us by making a donation or an item donation to our premier auctions.** For information on these opportunities, contact Cara Haggerty, Development Manager at [cara.haggerty@cancer.org](mailto:cara.haggerty@cancer.org). We look forward to greeting you in person on May 10th.

With appreciation,

**Dr. and Mrs. Michael and Marlene Nissenblatt**
